I Never Get What I Want!

A new toy
A new bike
Go on a hike
To the park
With a shark
In the dark!

I Never Get What I Want!

I just want to play
All night and all day
A video game
Always the same
Nothing new
Same old shoe!
Nothing to do!

I Never Get What I Want

But wait, take a breath
Maybe a stretch
Look up look down
Look all around....

Who is there?
Ready to share...
Maybe a friend can
Help me get there...
Help me to sing
There's more to bring
Than a shiny new thing

I just need to see
That I have what I need
And sometimes its just greed
That plants this uncomfortable seed...

I sometimes do get what I want
But not always, that's true...
What I want now is to say a simple thank you

Big Questions for Little Humans

Reading Guide: Take a few moments to consider your own experiences, trying to remember your feelings, and as many details as you can about these memories or imaginings.

- If you could have anything you want, what would it be and why do you want it? Would it make you happier?
- Have you ever wanted something and didn't get it? What did you do to get over the disappointment of not getting what you wanted? How did that feel? Do you still want it?
- If you had a magic wand and could always have everything you wanted, how would that feel? Do you think you would always like to get everything you want?

Illustrate your feelings in the space below.
