My Parents Don't Live Together Anymore

My parents don't live together anymore
We don't share the same roof or the same floor
One day mom just got up and walked out the door

So I live with my Dad: We live near my school
I have a goldfish named Ruthy
And she's pretty cool

My mom is awesome too; she lives in another town.
I go there on weekends
She never lets me down

With mom there's a cat, whose name is RuPaul.
My mom is short and my dad is so tall!

I wish that things were like before
but it can't be that way anymore

Sometimes I miss mom
Sometimes I miss Dad
Not living with them together can make me sad

But I know that they love me
And we are still a family
This is the way it's gotta be

In our own special way
At the end of the day
There is nothing that can ever take that away
